## Parent Handbook and Registration Forms

*(Note: All photos featured are pre-pandemic; masks are required in Summer Camp 2022)*

## WELCOME TO SUMMER CAMP!

We know these past two years have been challenging, with multiple shutdowns distance learning, and the myriad adjustments we have made in our lives. Kids are now craving screen-less time more than ever and a way to be, well, kids. We're excited to be back IRL ("in real life," for those who have already unplugged and forgotten all of their internet lingo) and to welcome you back to Bravo's in-person 2022 Summer Camp!

Come join us at our COVID-safe in-person camp, where campers will be engaging in music and the arts in ways that nurture their creative spirit, grow their confidence, forge great new friendships, and develop skills that they'll have for a lifetime!

## SAFETY FIRST: COVID PROTOCOL

The health and safety of our students is our top priority. We will be following all restrictions and safety guidelines set forth by the Centers of Disease Control and Prevention, state, and local governments to the strictest degree in order to ensure the safest environment possible for all of our students.

Students will be in stable small groups of no more than 6 students maximum. We check temperatures daily, masks are required, and social distancing of 6 feet between all students and staff will be enforced whenever possible. Teachers will continually ensure that all safety protocols are followed.

Each morning will be spent in the great outdoors, the way summers are meant to be enjoyed! We'll be learning, creating, and exploring outside at Jollyman Park, right around the corner from our studio. As it warms up around late morning, we'll head back to the studio for lunch, instrumental classes, a snack break, and music appreciation classes. A full day of fun!

## OVERVIEW OF CAMP ACTIVITIES

Our 2022 Summer Camp program for ages 5-10 consists of full day weekly camp sessions, Mondays through Fridays at 9:00am-2:30pm from June-July!

### SUNSHINE STRETCH

We'll start each morning by saying hello and doing fun stretches together. Exercises increase blood flow throughout our bodies, help us stay flexible, ease stress, and encourage a healthy lifestyle. Let's keep our bodies healthy, calm our minds, and have a great start to the day!

### INSTRUMENTAL CLASSES: PIANO, VIOLIN, AND CELLO

Our beginner instrumental class introduces students to basic keyboard, violin, and cello techniques and catchy melodies. We'll learn about the very foundations of musical learning, all while singing and playing fun tunes!

**Week 1: June 13-17, 2022**

Music Exploration - An Introduction to Piano, Violin, Cello

**Week 2: June 20-24, 2022**

Music Discovery: Piano and Violin

**Week 3: July 11-15, 2022**

Music Discovery: Violin and Cello

**Week 4: July 18-22, 2022**

Music Discovery: Piano and Cello

### UKE KOOKS: UKULELE MAGIC

What's more summer-y than strumming a ukulele under the sun? With its easy-to-pluck nylon strings, sweet sound, and tropical vibes, the ukulele is a great introduction to string instruments (and for starting sing-a-longs)!

Ukulele classes are offered every 2022 camp session week.

## A TOOTIN' GOOD TIME! RECORDER CLASS

The sound of the recorder has been described as “clear and sweet,” and it is a wonderful introduction to woodwind instruments and applying basic music principles.

In addition to our piano, violin, cello, and ukulele classes, the recorder is a great way to learn a different kind of instrument, while playing fun songs and practicing note-reading. Maybe you can even compose your own songs!

Recorder classes are offered every 2022 camp session week.

## HEARTS & CRAFTS: ART DISCOVERY

Imagination and inspiration go hand-in-hand! Here at Bravo we understand that music, the visual arts, and the performing arts are all part of a huge creativity spectrum.

In this visual arts class we'll be exploring fun hands-on multi-media projects that unleash creativity and encourage the idea that a little messiness can lead to brilliant works of art.

## YUM CIRCLE: LUNCH AND SNACK TIME

Please plan to pack one lunch and one small snack for each camp day.

**No nuts**, please! Snack sharing won't be allowed this year for safety reasons, but please help us minimize risks for any campers with serious allergies.

Don't forget to bring a reusable water bottle and plenty of water too!

## COVID-19 PROCEDURES AND AGREEMENT FORM

We have been and will continue to constantly monitor all mandates and guidelines regarding COVID-19 set forth by health officials from the Centers for Disease Control and Prevention (CDC) and our state and local governments. We know that things are ever-changing in a pandemic, and we'll update our procedures to adapt to any changes.

Please see below for the steps that we are taking to prevent the spread and safety procedures that we are asking of our students and families to keep everyone healthy, happy, and ready to take on the summer!

### STEPS WE ARE TAKING

- **Daily health screening procedures** – Each morning, a Bravo staff member will take each camper's temperature with a contactless thermometer and make sure that they are wearing a face mask that covers both their nose and mouth.
- **Masks and physical distancing** – Masks are REQUIRED at all times (except for designated lunch and snack times). Campers are instructed to avoid physical contact with and to keep a physical distance between each other and staff, with reminders throughout the day.
- **Stable groups** – Campers will be in groups of 4-6 maximum per camp session. Each group will remain together throughout the duration of the camp session.
- **Hand washing and sanitizing** – Campers will be encouraged to wash their hands, or sanitize if a hand washing station is not available, at regular intervals throughout the day.
- **All materials/supplies** given to campers are thoroughly disinfected before and after use or will be assigned to each camper for the duration of the camp session.
